		Grade: E-6 (Staff Sergeant)	
		<p>Former Mossad operative Nessa Landau stumbled upon a Cobra operation while investigating an Iranian terror plot. During a joint operation with G.I. Joe elements, she distinguished herself and was marked for recruitment. Taking the code name Nephilim, she joined Viscount's Operation Snake Charmer team dedicated to exposing and dismantling SD6L. An experienced and capable spy, Nessa favors an aggressive approach to getting the job done. Though a skilled and capable combatant, her greatest gift is her ability to understand and manipulate people. A master of multiple languages and a chameleon capable of adopting new personas at a moment's notice, she has proven an invaluable asset to Operation Snake Charmer. Viscount relies on her counsel when it comes to how to deal with SD6L and the danger its false front represents.</p>
