	<p>Born to a drug-addicted mother and her abusive boyfriend, Harper Bennett had a troubled childhood. Despite a tragic home life, she proved a capable student and was a particularly gifted singer and dancer. Unfortunately, her home life continued to deteriorate throughout her teenage years, leading her to join a boyfriend's gang. Harper proved herself a surprisingly talented shot and ultimately participated in a pair of convenience store robberies, the second of which resulted in the death of a store clerk. After escaping and returning home, Harper found her drunken father beating her mother. She shot and killed him and was arrested. While in custody, SD6L operatives faked her death from a drug overdose. Trained in marksmanship and covert operations by SD6L, she believed that she was working for the United States government. After years of field service, she learned the truth about SD6L and the fact that it was part of Cobra and she was recruited into G.I. Joe and Operation Snake Charmer by Nephilim with the approval of Viscount.</p>
