		<p>Born to Viscount Matthew Worthington and his wife Mary, Charlize became a world traveler at a young age, spending time in Hong Kong, Gibraltar, Paris, New Delhi, Jerusalem, and Sevastopol due to her father's diplomatic duties. Possessed of a keen mind, aptitude for languages, and a winning personality, Charlize was recruited to an intelligence program that she believed to be a joint venture between MI6 and the CIA. She quickly discovered, however, that SD6L was in fact an arm of the terrorist organization Cobra. She reached out to contacts from her past and eventually was recruited to be a double agent for G.I. Joe by Nephilim. Working from within SD6L, Charlize proved her value and helped to bring down her former employers while assisting in the recruitment of several new assets to Viscount's Operation Snake Charmer team. Now a full-fledged member of Viscount's operation, she works with the team to track down and put a stop to the remnants of SD6L and their Cobra overloads.</p>
